We offer all aspects of shotgun shooting tuition, gun safety and handling through our club, The Biggin Hill Clay Pigeon Shooting Club. We can cater for all comers from the complete novice, with no licence or experience, to the more experienced shooter, or even groups for corporate events, stag or hen days.

We can accommodate gents, ladies and even children (accompanied by a parent or guardian) with a variety of gun sizes and calibres.

The clubhouse also offers a selection of hot and cold drinks and snacks.

Where and Where

Our club shooting ground is behind our shop, The Saddlery & Gun Room, on the main road between Biggin Hill and Westerham (A233). There is access to the ground via a drive to the left of the shop. This leads to a hard standing car park, the clubhouse and shooting layout.

We will shoot in all weathers, so clothing should be appropriate but must allow for movement in the arms and shoulders. It must not be too loose, as this can cause problems with mounting the gun. You will be out in a grassy field, so suitable footwear is essential, especially when wet.

The Lesson

We can alter the tuition offered to suit your needs. A novice lesson will cover gun safety, operation, mounting and sighting in a practical 'hands on' way.

25 cartridges and clays come as standard with an individual lesson, but extra are available if required.

Tuition for a more experienced shooter can be tailored to their requirements, whether it be a general refresher after a break, or a problem with a certain type of bird.

Our club coach is a very experienced shooter in both clay and game, so there are not many situations he is not familiar with.

If you are thinking of joining our club, please ask to be assessed for a safety certificate, as we will require this for you to become a full member.

To Book a Lesson

Please check the availability of lessons on our website or phone 01959 573089.

We do require full payment at the time of booking. We accept most debit and credit cards.
